\$ _____ **Total Fees** (Please attach a check for this amount.)

Medical Forms: A medical form **MUST** be submitted with this registration. Registration forms submitted without a COPY of a completed medical form will not be processed.

Deadlines: The on-time registration deadline for Day Camp 2012 is February 14, 2012. The late registration date is March 13. Normally, no registrations are accepted after March 13, 2012. However, due to the nature of the Junior Camper program, registrations will be accepted after March 13. Late registration makes it very difficult to obtain sufficient supplies for the Junior Camper program, so please register Junior Campers as early as possible.

Authorized Adults: ONLY the parents/guardians and other adults listed here will be allowed to pick up Junior Campers at the end of the day. Junior Campers will NOT be allowed to leave camp with an adult not on this list. Adults prohibited from dropping off or picking up a Junior Camper should also be listed here and marked "Prohibited".

Name(s): _____

Junior Camp is provided **ONLY** to children of Day Camp Volunteers who are on site. A parent **MUST** be on site each day their child participates in Junior Camp. I have read and understand the information above.

Instructions – Junior Camper Registration Form

1. Camp Session – Indicate which session your Junior Camper will attend. Mark only **ONE** choice. If your Junior Camper will attend both weeks of Day Camp, complete a separate form for each week.
2. Personal Information
 - Enter this camper's brother's Pack # (if any), Name, and Birth Date.
 - Enter the address where paper mail should be sent to this camper's parents or guardians.
 - Email Address: Enter an email address for this Junior Camper's parent/guardian. Important information about Day Camp will be sent to this address, and email will be the primary method for communicating with Day Camp participants.
3. Shirt Size – Enter the shirt size that your Junior Camper will wear at Day Camp.
4. Extra Shirts – Enter the number of **extra** camp shirts to purchase for your Junior Camper. Extra shirts cost \$10 each. Each Junior Camper receives one free camp shirt. Official Day Camp shirts **MUST** be worn every day at camp. They are color coded and used as Day Camp's primary security feature. Buy a spare to avoid washing a shirt every night.
5. Cost of Extra Shirts – Enter the total cost of extra shirts ordered. Extra shirts cost \$10 each.
6. Registration Fees – Place a check mark on the appropriate line to indicate your registration fee.
7. Total Fee: Total the costs of the registration fee and extra shirts. Write the total on this line and submit payment as directed by your unit. If you are registering directly with the registrar, make your check payable to BAC/BSA. Registering as part of a unit is preferred.
8. Medical Form – Everyone attending Day Camp **MUST** submit a BSA Medical Form, parts A and B. A physical exam by a doctor is **NOT** required for Day Camp. Please complete a medical form and submit a copy with this registration. Registration forms submitted without a medical form will not be processed.
9. Insurance Card – The BSA Medical Form requests a copy of both sides of your medical insurance card. Please provide that with your registration. If you do not have medical insurance or are unwilling to provide insurance information, please write "No Insurance" on the medical form. This will prevent the registrar from attempting to contact you to request insurance information unnecessarily. Registration without insurance information IS allowed.
10. Authorized Adults – Only the parents/guardians and adults listed on this form will be allowed to leave camp with this Junior Camper. Since parents of Junior Campers will be volunteering on site, it is assumed that they will pick up their own campers. Other authorized adults are requested in case an emergency prevents a parent from meeting their Junior Camper at the end of the day. Junior Campers will NOT be allowed to leave camp with an adult not on this list.
