Instructions – Adult Volunteer Registration Form

1. Camp Session – Indicate the camp session for which you are volunteering for. Mark only **ONE** choice. If you plan to volunteer both weeks of Day Camp weeks, complete a separate form for each week.
2. Personal Information
 - Enter your Name, Social Security Number (required) and BSA registration number (if you have one).
 - Enter the address where you receive paper mail and phone numbers where you can be reached.
 - Enter your son's rank and Scout Pack number.
 - Email Address: Enter an email address where you are willing to receive Day Camp email. Important information about Day Camp will be sent to this address, and email will be the primary method for communicating with Day Camp participants.
3. Shirt Size – Circle your shirt size. Remember that in hot or wet weather, a bigger shirt than you normally wear may be more comfortable.
4. Extra Shirts – Enter the number of **extra** camp shirts you would like to purchase. Extra shirts cost \$10 each. Each adult volunteering for 3, 4, or 5 days receives one free camp shirt. Adults volunteering for only 1 or 2 days do not receive a free shirt but may participate without a camp shirt as a registered visitor or may purchase a camp shirt. Official Day Camp shirts **MUST** be worn every day at camp. They are color coded and used as Day Camp's primary security feature. Buy a spare to avoid washing a shirt every night.
5. Cost of Extra Shirts – Enter the total cost of extra shirts ordered. Extra shirts cost \$10 each. Submit payment for any extra shirts you order as directed by your unit. If you are registering directly with the registrar, make your check payable to BAC/BSA. Registering as part of a unit is preferred.
6. Medical Form – Everyone attending Day Camp **MUST** submit a BSA Medical Form, parts A and B. A physical exam by a doctor is **NOT** required for Day Camp. Please complete a medical form and submit a copy with this registration. Registration forms submitted without a medical form will not be processed.
7. Insurance Card – The BSA Medical Form requests a copy of both sides of your medical insurance card. Please provide that with your registration. If you do not have medical insurance or are unwilling to provide insurance information, please write "No Insurance" on the medical form. This will prevent the registrar from attempting to contact you to request insurance information unnecessarily. Registration without insurance information IS allowed.
8. Youth Protection: ALL adults volunteering at Day Camp **MUST** show proof of current Youth Protection training. Youth protection training is available at <http://www.myscouting.org>. BSA membership is NOT required to take Youth Protection training. Registration forms submitted without a Youth Protection training certificate expiring after the end of Day Camp will not be processed.
