As agreed upon at our Planning Meetings, the fundraising will take the form of Popcorn Sales. The details will be announced at the Pack meeting on Friday 9/10, but as a brief overview will entail Show & Sells (booth sales in front of select stores at select times, dates to be announced) and individual sales with each scout having a goal of \$135 in sales.

**Family Camping**- 10/8-10/10 at Pine Grove Furnace State Park in Gardeners, PA. Details are in a separate flyer that was sent to the Pack on 9/8.

## Welcome to another fun year of Cub Scouting!

**Important-please read!**- Pack 392 has several key leadership positions that will be vacated in

April 2011. It is imperative that we have volunteers in place to assume these positions. The continued existence of the Pack depends on these positions being filled.

**Q.** Why are these positions being vacated?

**A.** These positions are currently held by parents of scouts who are Webelos I. In April 2011, they will cross over to Boy Scouts, leaving Pack 392 with no one in these leadership positions.

**Q.** What can I do?

**A.** Volunteer to assume one of these very important positions. You will have the unique opportunity to spend a year and half shadowing the people who currently hold these positions, so that when the time comes, the transition into your chosen position will be seamless.

**Q.** Why me?

**A.** Why not? Someone needs to do it and **you** can be instrumental in ensuring that your **son's Cub Scout Pack does not disband. PLEASE** see Nichol or Lisa to tell them which position you would like to fill. The future of Pack 392 depends on you! It really does.

**Q.** Okay, I'm in, what positions need to be filled?

**A.** Cubmaster, Assistant Cubmaster, Treasurer, Advancement Chair, Trainer. It's really not as hard as you think and most of the time it's even fun!
